This is in reference to your fax dated June 29, 2000, concerning the aforementioned gloves for which you have requested acceptance for use in federally registered food establishments.

Based on the available information, no objection would be taken to the use of the above gloves in registered establishments.

This acceptance is not to be misconstrued as an endorsement for this or similar gloves, and their use in Registered Establishments will depend upon their continued acceptability to all concerned.

Should any changes occur in the chemical formulation of the aforementioned gloves, then this acceptance will be considered **NULL** and **VOID**.
